

Thank you for choosing MNGI Digestive Health for your upcoming dietitian visit.

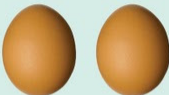

Before your consultation, please complete the 3-Day Food Journal to discuss with your dietitian at your appointment.

Completing your 3-Day Food Journal

As part of your dietitian visit, we ask that you keep a record of everything you eat and drink for 3 days. Having an accurate record of your intake and eating habits will assist the dietitian in making specific dietary recommendations for you. A sample journal has been provided for you on page 9. **The journal may be completed at any time as long as it is prior to your dietitian visit. Please have the journal available with you to your appointment.**

To complete your food journal, please follow the guidelines below.

- Select days that you will be making **typical** food choices and try *not* to change your eating habits. Holidays and special days may not represent usual eating behaviors.
- **Be honest.** The purpose of this journal is to help you and the dietitian develop an awareness of your eating habits so that nutrition goals can be individualized.
- Try to include 2 weekdays (Monday-Friday) and 1 weekend day (Saturday/Sunday) for a **total of 3 days** (they do not have to be consecutive). If you are unable to record all 3 days, please do as many days as possible.
- Carry the food journal with you during the day so that items can be recorded *immediately* after they are eaten. Make sure to record the time an item/meal/snack was consumed.
- Record **EVERYTHING** you eat and drink. Please be as specific as possible.
 - List the type of food you ate including all condiments and extras (sauces, gravy, butter, ketchup, mayo, etc.)
 - Describe combination foods, such as what toppings came on the pizza or what was included in the sandwich.
 - Mention how the food was prepared (grilled, baked, fried, steamed, roasted, etc.)
 - List a brand name or restaurant name when possible.
- Include portion sizes for all items, estimating to the best of your ability. For help, please refer to the serving size guide provided on the next page.
- **Don't stress!** If you are not able to complete the food journal, still come to your appointment with the Dietitian.

Object	Hand Symbol	Equivalent	Foods
		Fist 1 Cup (baseball)	Rice, Pasta Fruit Veggies
		Palm 1/2 cup (tennis ball)	Medium Fruit, Ice Cream
